Vivek High School has recently set up the Alumni Office at School to Reconnect and Engage with the Alumni Community.

Q- What is the Alumni Office?

A- The Alumni Office is a long-term initiative by Vivek High School to help connect with its alumni better. This office shall keep a track of all the Alumni of the school and regularly communicate with them and help them engage back with their alma mater.

Q- Why is the Alumni Office setup at Vivek High School?

A- As Vivek High School turns 30 this year, the school is taking the onus of setting up a full time Alumni Office in School. The school takes pride in the achievements and impact of its Alumni network and wants to inspire the current and future generations of Alumni to do the same. The "culture and philosophy" of V.H.S binds all the students as a family and the students want to re-connect with the school even after they pass out. This office has been set up to engage with the Alumni Community in a more organized fashion and strengthen the VHS culture.

Q- How does the office work?

A- Our work begins with gathering updated data of our Alumni, contact details and preferences of the alumni. This data shall then help us to regularly communicate with the Alumni and keep them updated about the latest happenings in school and the Alumni Network.

Q- Who is a part of this office? Who runs the Office?

A- The office is run by a student team of 14 members, a Faculty Alumni Coordinator and spearheaded by a 4-member faculty sub-committee. However, everyone who is or has been a part of this school is a part of this office as this office cannot function without the support of Alumni, Students and the Faculty.
